4th COUNCIL MEETING
Helsinki, 5-7th May 2006

Adopted resolution

Nuclear Power plant in Sinop in Turkey

Recently there is a decision from the Government of Turkey – leading by the AK Party (Justice and Development Party) and his president Mr. Erdogan – to build a nuclear power plant for 5000 MW at the Black Sea by Sinop in Turkey.

We, the Greens from EGP, are protesting this decision from Government of Turkey and demand the cancel of this project immediately.
